# COVID-19: Adjustment of Programmes

The world is facing a huge challenge to contain the spread of COVID-19 while enabling the global economy to continue functioning. In Nigeria, the Federal and most State Governments have closed schools and banned gathering of fifty persons and above.

As an Institute that takes cognizance of the health and well-being of its members (corporate & individual) as well as stakeholders, the primary obligation in this situation is to avoid unnecessary exposure.

Given these peculiar circumstances, we wish to inform our members, stakeholders and the general public as follows:

The underlisted statutory events would hold as earlier scheduled but virtually through digital and video conferencing:

-  **Pre-Annual General Meeting**
-  **Annual General Meeting**
-  **The 2020 CIBN Elections via the e-voting platform in line with our practice as earlier communicated**

The following statutory programmes are however postponed till a later date:

-  **April 2020 Diet Banking Professional & Certification Examinations (Local & Int'l)**
-  **Presidential Valedictory Address**
-  **Presidential Investiture**
-  **CIBN USA Branch International Biennial Conference**
-  **CIBN Annual Lecture**

New dates for the programmes shall be communicated accordingly

All Governing Council/Committee meetings shall henceforth be conducted virtually via video conferencing.  
We apologize for any inconvenience this might cause.

For and on behalf of the Governing Council

Registrar/Chief Executive
